**I. GENERAL:**

Deposits or other guarantee of payment as a condition of new or continued service to a customer shall be required and accounted for in accordance with this tariff.

**II. APPLICATION:**

A security deposit or other guarantee of payment will be required as per 17.5.410.16 NMAC and more-overly in the case of:

- A. A customer who has not previously had utility service with Central Valley Electric Cooperative, Inc. (CVEC) and who has not established acceptable credit rating,
- B. A customer of CVEC that has received a final notice on three or more occasions in a 12-month period,
- C. A condition for reconnection of service following discontinuance of service by CVEC, and
- D. A customer who, in an unauthorized manner has interfered with or diverted the service of CVEC.

If a residential customer or prospective residential customer cannot establish an acceptable credit rating, but can demonstrate to CVEC that the customer does not have adequate financial resources to pay the security deposit because the customer meets the qualifications of LIHEAP or subject to other special circumstances, CVEC shall give special consideration to such customer in determining whether or in what amount a security deposit will be charged or if payment by an installment agreement is appropriate. In making such determination, CVE shall accept documentation from the administering authority that such residential or prospective customer meets the qualifications of LIHEAP.

**III. AMOUNTS:**

The deposit for CVE customers shall not exceed an amount equivalent to one sixth (1/6) of that customer's estimated annual billings.
