Residential Member Survey

Central Valley Electric Cooperative is working with our wholesale power provider, Western Farmers Electric Cooperative, to conduct a Residential Member Survey.

The purpose of this survey is to gather data related to usage patterns among members to help WFEC plan for future power needs. Your participation in this survey is very important, and the information provided will not be shared with any third-party vendors.

You can access this survey electronically via computer, smartphone, or tablet by simply scanning the QR Code below. You can also contact CVE and request that a paper copy be mailed to you if that is more convenient.

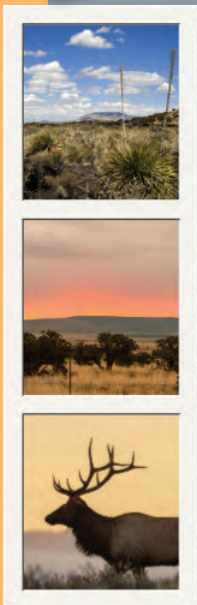

We know your time is valuable, and we appreciate your efforts to participate in the survey. Thank you.

Register Today for the CVE Lineman Camp

Are you or someone you know between the ages of 17 and 22, and are wondering what career path to take? Consider attending Central Valley Electric Cooperative's free Lineman Camp to see if you have what it takes to be a lineman. Camp is on Thursday, May 28, from 9:00 a.m. to 3:00 p.m. at CVE (lunch provided).

This camp gives students a look into careers within the electric cooperative industry through hands-on activities and demonstrations designed to introduce the skills needed to be a lineman. Scan the QR Code to register.

THURSDAY, May 28

9:00 AM to 3:00 PM

CVE (1403 N 13th St, Artesia)

Before You DIG In

April is Safe Digging Month! Whether you're planting a garden or installing fence posts, remember to dial 811 before you dig. Let's work together to keep our communities safe and prevent damage to underground utilities.

Dial 811 or visit
811beforeyoudig.com
to mark buried
utility lines.
